Call to Order and Approval of Agenda

Chairman Riddle called the meeting to order. Chairman Riddle then asked Commissioner Ollis to deliver the invocation. After the invocation, Commissioner Whitson led the Pledge of Allegiance. Chairman Riddle then asked for a motion to approve the agenda. Commissioner Austin made a motion to approve the agenda and it was seconded by Commissioner Ballew. The vote to approve was unanimous (Attachment A).

In addition, the consent agenda contained two Board appointments. The first Board appointment was to the High Country Workforce Development Board. Mr. Brian Peterson has been the representative from the private sector that has been in this position and was eligible for reappointment and agreed to be reappointed (Attachment B). The second Board appointment was to the Yancey County Economic Development Commission. Mr. Jon Ray represents businesses with less than fifty employees and is eligible for reappointment and has agreed to be reappointed (Attachment C). The next item on the consent agenda was a resolution giving general authority to the tax assessor under NCGS 105-325 (a) except under NCGS 105-325 (a)(6) (Attachment D). Also in the consent agenda was the yearly settlement of the tax collector for all uncollected taxes (Attachment E). The final item on the consent agenda was the tax collection report for June which was for informational purposes only (Attachment F). Upon hearing the items on the consent agenda, Commissioner Ollis made a motion to approve the consent agenda and it was seconded by Commissioner Austin. The vote to approve was unanimous.

Mayland Community College

The Board was scheduled to hear from Mayland Community College President Dr. John Boyd but he was unable to attend the meeting.

Smoky Mountain LME

The Board next heard from Shelly Foreman with Smoky Mountain LME the mental health agency for the western section of the state. Ms. Foreman updated the Board on many of the activities of Smoky Mountain especially related to Yancey County. Ms. Foreman stated that Yancey County's provider, RHA Behavioral Health, has a good system here in the county and continues to see many clients including an elevated number this year. Ms. Foreman encouraged the Board to let her know if they have concerns or questions.

Yancey County Department of Social Services Board of Directors Appointment

Chairman Riddle next moved to a vacancy on the Yancey County Department of Social Services Board of Directors that is occurring on June 30, 2016. Upon hearing from Chairman Riddle, Commissioner Whitson nominated Sonya Morgan to the Social Services Board of Directors. The nomination was seconded by Commissioner Ballew. Hearing no more nominations Chairman Riddle called for a vote which was unanimous.

County Manager Business

The Board next heard from County Manager Nathan Bennett. Mr. Bennett stated that the first item he had for the Board was a memorandum of understanding between Yancey County,

the Yancey County Sheriff's Office and Yancey Emergency Medical Services for the training and use of the opioid overdose reversal drug, Narcan. According to Mr. Bennett this has shown to be a life saving drug that has been used successfully across the country. According to Mr. Bennett, the county attorney has reviewed the MOU and had some minor changes. Upon hearing from Mr. Bennett, Commissioner Ollis made a motion to approve the MOU with the county attorney's modifications. The motion was seconded by Commissioner Whitson and the vote to approve was unanimous (Attachment G). Mr. Bennett next brought to the Board's attention a resolution expressing Yancey County's desire to join the State Health Plan. According to Mr. Bennett, the County had completed these steps last year but was not able to join before the maximum amount of local government employees was reached. Because of that the County has to start from the beginning, which is this resolution. Upon hearing from Mr. Bennett, Commissioner Ballew made a motion to approve the resolution and it was seconded by Commissioner Whitson. The vote to approve was unanimous (Attachment H). Mr. Bennett then gave an update on the East Yancey Sewer Project and the Employee Appreciation Picnic which is to be held on July 22nd at Ray Cort Park beginning at noon. Also according to Mr. Bennett, the Emergency Medical Dispatch upgrade is waiting on software from Southern Software.

County Attorney Business

County Attorney Donny Laws stated that he had nothing for the Board at this time.

Commissioner Business

Commissioner Ollis stated that the Social Services Board of Directors meets every fourth Monday of the month and that one of the members of that board has passed away, Mr. Stanley Carroll and that he will be sorely missed. Chairman Riddle encouraged everyone to go by Bowditch bottom and see what TRACTOR is doing up there.

Adjournment

Having no further business Commissioner Ollis made a motion to adjourn and it was seconded by Commissioner Ballew. The vote to adjourn was unanimous.

§ 105-325. Powers of board of county commissioners to change abstracts and tax records after board of equalization and review has adjourned.

(a) After the board of equalization and review has finished its work and the changes it effected or ordered have been entered on the abstracts and tax records as required by G.S. 105-323, the board of county commissioners shall not authorize any changes to be made on the abstracts and tax records except as follows:

- (1) To give effect to decisions of the Property Tax Commission on appeals taken under G.S. 105-290.
- (2) To add to the tax records any valuation certified by the Department of Revenue for property appraised in the first instance by the Department or to give effect to corrections made in such appraisals by the Department.
- (3) Subject to the provisions of subdivisions (a)(3)a and (a)(3)b, below, to correct the name of any taxpayer appearing on the abstract or tax records erroneously; to substitute the name of the person who should have listed property for the name appearing on the abstract or tax records as having listed the property; and to correct an erroneous description of any property appearing on the abstract or tax records.
 - a. Any correction or substitution made under the provisions of this subdivision (a)(3) shall have the same force and effect as if the name of the taxpayer or description of the property had been correctly listed in the first instance, but the provisions of this subdivision (a)(3)a shall not be construed as a limitation on the taxation and penalization of discovered property required by G.S. 105-312.
 - b. If a correction or substitution under this subdivision (a)(3) will adversely affect the interests of any taxpayer, he shall be given written notice thereof and an opportunity to be heard before the change is entered on the abstract or tax records.
- (4) To correct appraisals, assessments, and amounts of taxes appearing erroneously on the abstracts or tax records as the result of clerical or mathematical errors. (If the clerical or mathematical error was made by the taxpayer, his agent, or an officer of the taxpayer and if the correction demonstrates that the property was listed at a substantial understatement of value, quantity, or other measurement, the provisions of G.S. 105-312 shall apply.)
- (5) To add to the tax records and abstracts or to correct the tax records and abstracts to include property discovered under the provisions of G.S. 105-312 or property exempted or excluded from taxation pursuant to G.S. 105-282.1(a)(4).
- (6) Subject to the provisions of subdivisions (a)(6)a, (a)(6)b, (a)(6)c, and (a)(6)d, below, to appraise or reappraise property when the assessor reports to the board that, since adjournment of the board of equalization and review, facts have come to his attention that render it advisable to raise or lower the appraisal of some particular property of a given taxpayer in the then current calendar year.
 - a. The power granted by this subdivision (a)(6) shall not authorize appraisal or reappraisal because of events or circumstances that have taken place or arisen since the day as of which property is to be listed.
 - b. No appraisal or reappraisal shall be made under the authority of this subdivision (a)(6) unless it could have been made by the board of equalization and review had the same facts been brought to the attention of that board.
 - c. If a reappraisal made under the provisions of this subdivision (a)(6) demonstrates that the property was listed at a substantial understatement of value, quantity, or other measurement, the provisions of G.S. 105-312 shall apply.

- d. If an appraisal or reappraisal made under the provisions of this subdivision (a)(6) will adversely affect the interests of any taxpayer, he shall be given written notice thereof and an opportunity to be heard before the appraisal or reappraisal shall become final.

(7) To give effect to decisions of the board of county commissioners on appeals taken under G.S. 105-322(a).

(b) The board of county commissioners may give the assessor general authority to make any changes authorized by subsection (a), above, except those permitted under subdivision (a)(6), above.

(c) Orders of the board of county commissioners and actions of the assessor upon delegation of authority to him by the board that are made under the provisions of this section may be appealed to the Property Tax Commission under the provisions of G.S. 105-290. RESOLUTION

Confirming Yancey County's Desire to Join the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan

Whereas, Yancey County has determined that it would be in the best interests of its employees, being local government employees as defined by G. S. 128-21(11), to be given the opportunity to participate in the benefits provided by the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan; and

Whereas, it would be fiscally advantageous for Yancey County Government to provide for the provision of health insurance for its employees by participation in the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan; and

Whereas, Yancey County Government as a local government employer, if permitted, would enroll all of its eligible employees and, as applicable, their eligible family members in the Plan. Would provide that eligible employees and, as applicable, their eligible family members, shall participate in all requirements of the Plan as provided by the Executive Administrator and Board of Trustees of the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan; and

Whereas, the General Assembly of North Carolina has passed and Governor Pat McCrory has signed into law Senate Bill 865 which allows for the participation of no more than 16,000 local government employees in the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan.

Now Therefore Be It Resolved that the Yancey County Board of Commissioners does hereby request that Yancey County's eligible employees and, as applicable, their eligible family members be allowed to enroll in the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan as allowed under the provisions of Senate Bill 865.

ADOPTED this the 11th Day of July, 2016.
